Program Overview

Artist in Residence

**Artist in Residence** (AIR) is a noncompetitive reimbursement grant program that provides up to $2,500 in support for North Dakota pre-K-12 students and teachers to work with professional artists either in a traditional school setting or during after-school and/or summer programs. Residencies include 20 or more contact hours spanning four days or longer (up to five hours per day of artist activities). Teaching artists work together with teachers and staff to design activities that enhance educational programs and help to address learning standards or curricular goals.

Applicants seeking a more prolonged, intensive and/or sustained experience are encouraged to consider NDCA’s Arts in Education Collaboration grant program. **Applicants may receive only one North Dakota Council on the Arts Artist in Residence grant or Arts in Education Collaboration grant per fiscal year.** Applicants cannot receive both in the same fiscal year.

**Note:** There is limited funding available for this program. Early submission of applications is highly recommended. Applications are reviewed and grants awarded on a first-come, first-serve basis and it is not guaranteed that funds will be available. Applications will be accepted till May 1 or until funding is no longer available.

Applicants are encouraged to carefully review the Program Overview and Application Instructions here [arts.nd.gov/grants/arts-education/artist-residence](https://arts.nd.gov/grants/arts-education/artist-residence), then call the program officer prior to beginning an application.

• For proposals that include an out-of-state teaching artist resident: may not exceed $2,500 or 50% of the total project cost, whichever is less.

• For proposals that include an out-of-state teaching artist resident, a 50% match of the total NDCA request is required.

Project Requirements
Planning
• Sponsors must contact artists directly before applying for the grant.
• The residency must be planned collaboratively between the artist(s), appropriate teacher(s) and/or community representative(s).

Teaching Artist Selection
• NDCA publishes a roster of teaching artists here arts.nd.gov/grants/arts-education/rostered-artists, who are vetted for artistic expertise and suitability and approved to conduct residencies in North Dakota. Applicants who select a teaching artist from this roster are not required to provide the teaching artist’s resume or work samples for panel review. Note: NDCA does not conduct criminal background checks as part of the approval process. When contracting with artists, each school or community group should apply its own policy.
• Applicants who select a teaching artist who is NOT on NDCA’s Teaching Artist roster are required to provide information about why the teaching artist was selected and the teaching artist’s resume and work samples for panel review.

Student Workshops
• One or more core groups must be established to ensure an in-depth experience for selected groups. A core group is a single classroom or small group of participants. Specific learning outcomes for what the core group is to accomplish by the residency’s end must be described in the grant proposal.
• A core group is required to receive a minimum of three contact sessions with the artist. A full day may not exceed 5 hours of contact time with participants. This includes in-service sessions with teachers and activities with families or community members.

Scheduling/Planning Tip: In situations where the teaching artist is working in a large school, NDCA recommends the applicant refrain from overscheduling the artist in an attempt to
impact every student. The result can often be a superficial learning experience that does not address and/or meet the goals of the AIR grant program. Below are some suggested planning options to consider:

- Focus the residency on either lower level or upper-level students (example: K-3 or 4-6).
- Focus the residency on one grade level with a particular need.
- Contract the teaching artist for multiple weeks and schedule one core group per week (example: week one – 1st grade and week two – 2nd grade).

**Sponsor and Artist Agreement and Residency Schedule Form**

- The Sponsor and Artist Agreement and Residency Schedule form is required for the application and must be signed by the teaching artist and sponsor. The agreement states that the grantee is required to pay the teaching artist(s) in full on the final day of the residency and includes residency details such as: schedule, fees, travel, terms of payment, and lodging. The terms of the agreement are subject to approval by NDCA. Download the form on NDCA’s Artist in Residence webpage here: [https://www.arts.nd.gov/sites/www/files/documents/grants/AIRSponsorandArtistAgreementandResidencyScheduleFormFY23.pdf](https://www.arts.nd.gov/sites/www/files/documents/grants/AIRSponsorandArtistAgreementandResidencyScheduleFormFY23.pdf).

**Residency Evaluation/Documentation**

- All residency plans must include an evaluation and documentation.

**Community Event and Outreach**

- All residency plans must include a final project, performance, or culminating community event.
- The residency must be promoted within the school/sponsoring organization and the community at large. Good publicity of the residency, including invitations to school board members and legislators, will result in well-attended community events and encourage stronger support for future arts programs.

**Accessibility/Accommodations**

- The programmatic aspects of the project are required to be accessible as either part of the planned activity or upon request, where relevant.

**Review Criteria**

- Artist in Residence is a noncompetitive grant program. Applications are reviewed for eligibility and completeness throughout the year by the program officer. Eligible applications are awarded in the order in which they are received while funds remain available. Grants are contingent on available funding as approved by NDCA’s Board of Directors.
