Program Overview

Individual Artist Fellowship

The Individual Artist Fellowship grant program is designed to support outstanding and established practicing individual artists residing in North Dakota. Two fellowships of $5,000 are annually awarded for projects that will enhance or expand the applicant’s artistic skills and/or process and help the artist generate greater visibility and exposure to potential audiences.

Each proposal must include three live, in person, community components in at least two of the eight North Dakota Regions that will provide greater visibility for the artist’s work and promote meaningful engagement between the artist and North Dakota audiences. A public performance, exhibition, reading, open workshop, or demonstration that the public can attend, are some examples of possible community components. Proposed activities are to also engage diverse audiences and communities.

Applicants are encouraged to carefully review the Program Overview and Application Instructions here arts.nd.gov/grants/individual-artists/individual-artist-fellowship then contact the program officer with any questions.

Eligibility

Eligible Individual Artist Applicants Must:
- Be pursuing original artwork on an ongoing basis within an artistic discipline;
- Be the originator of the work, not an interpreter of the work of others;
- Be a United States citizen or have attained permanent resident status;
- Be at least 18 years of age;
- Be a North Dakota resident as of January 1, 2021, and continue to reside in North Dakota throughout the contract period;
- Cannot be enrolled as a student in any high school, college, or university at the time of application.

This Program Funds:
- Artists who see the arts as an ongoing vocation, rather than as a hobby, pastime, or occasional pursuit; and who have already completed their training, if they pursued formal training at all;
- Artists who at the time of application have a significant record of having generated, completed and publicly presented/exhibited/published work in the discipline in which support is requested;
- Artists whose primary goal is to generate new works, as opposed to remounting or re-interpreting existing works.
This Program Does NOT Fund:

- Collaborative groups or artworks. The applicant must be the primary creator in the project proposal.

Fellowship Schedule and Eligible Disciplines

This Fellowship Program serves six disciplines that have rotating deadlines every three years. It includes traditional arts that historically have developed informally from being passed generation to generation and depict an ethnic or geographical art form.
